ASSEMBLY DIRECTIONS

MAKING THE STAR

Refer to the **QUILT DIAGRAM** for star fabric placement. Group sets of $4\frac{1}{2}$ " squares needed for each star.

Make 24 star sets. (The star background blocks are made from Citron, Rain, Ash, Petal or Limestone fabrics.)

For one star you will need:

(4) $4\frac{1}{2}$ " background squares

(4) $4\frac{1}{2}$ " squares, 2 each of 2 different fabrics for star points

(1) $4\frac{1}{2}$ " square for star center

1. Cut star point fabrics in half once on the diagonal. [fig 1]

2. Lay (4) background fabrics in a row. [fig 2]

3. Select 4 triangle points of the same fabric cut from star point squares in step 1. Lay one RST (right sides together) on each of the background squares. Vary the angle, leaving at least $\frac{1}{4}$ " extended over background squares. Lay all the triangles on the same side of background squares, do not alternate sides. [fig 3]

4. Before sewing, make sure triangle will cover background fabric when pressed back. Make 4. [fig 4]
5. Trim ¼" seam allowance. Do not square up yet!
6. Repeat Steps 3, 4, & 5 with second triangle star point fabric. [fig 5]
7. Square up each pieced block to 4½". Begin by aligning the ruler at the top of the background 4½" square as your starting point. [fig 6]
8. Set aside a coordinating 4½" Star Center square with the 4 star points. Make 24 sets. Do not complete piecing the star block at this time. *Note: Some of the Stars share background corner blocks so the quilt will be pieced in 9 patch sections.*

BACKGROUND TRIANGLES:

9. Take (6) 5" Citron squares and (6) 5" Limestone squares. Draw a diagonal line from corner to corner on the wrong side of all the Limestone squares. Put a citron square (wrong sides together) with a Limestone square and sew ¼" seam on each side of the line. Cut on the line, press and square up each piece to 4 ½" square.
10. Repeat Step 9 with the following 5" squares:
 - (2) Rain with (2) Limestone
 - (4) Ash with (4) Limestone
 - (2) Petal with (2) Limestone
 - (2) Amazon with (2) Limestone

PIECED TRIANGLES:

11. Using all the 5¼" squares (1- Rain, 3- Limestone, 1- Sprout, 1- Petal, and 1- Ash) cut squares twice on the diagonal. [fig 7] (You will not use all triangles.)
 12. Piece two triangles together using one Limestone in each set. [fig 8]
- Make: (2) sets Rain and Limestone (2) sets Sprout and Limestone
 (2) sets Ash and Limestone (4) sets Petal and Limestone
13. Cut (5) 4⁷/₈" Limestone squares once on the diagonal [fig 1]
 14. Piece a Limestone triangle from Step 13 to each triangle set from Step 12. [fig 9] Make 10 total 4½" squares.

ASSEMBLING THE QUILT

15. Referring to the **QUILT DIAGRAM**, arrange the squares in rows. Sew in sections of 9 or 12 squares.
16. Sew Sections in rows, then sew rows together. Quilt top is complete.
17. Layer quilt top, batting, and backing. Quilt as desired and bind.
