White	1 1/3 yd
Black printed sashing	1/3 yd
Binding	1/2 yd
Backing	3 1/2 yd

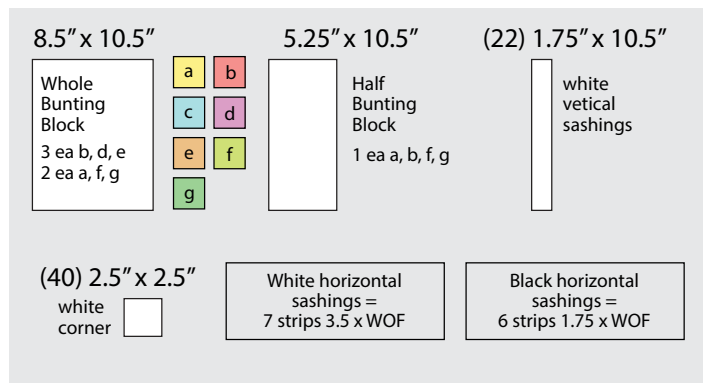

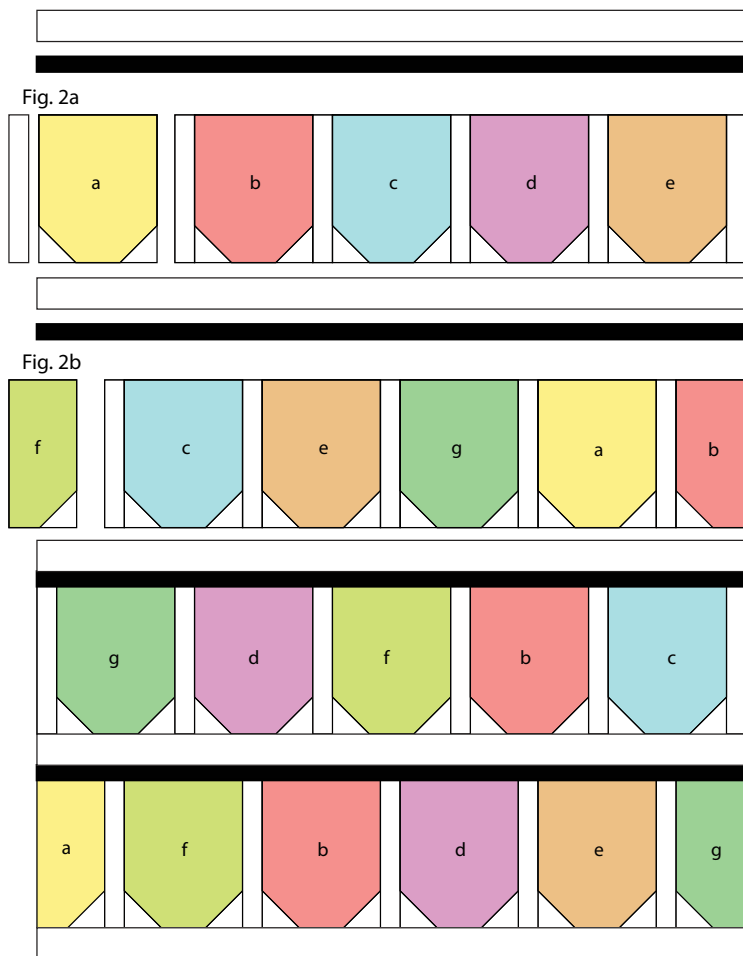

Fig. 2 ASSEMBLING THE QUILT TOP

ASSEMBLY (all seam allowances 1/4")

- Start with Whole Bunting Blocks: Mark the 2.5" white corner squares diagonally (Fig. 1). Line up a square flush with the bottom corners of Whole Bunting Block and stitch on line (Fig.1a).
- Trim excess to 1/4" seam allowance. (Fig. 1b) Press seam allowance towards print. (Fig. 1c)
- For Half Bunting Blocks refer to (Fig. 2b) to sew the correct corners on fabrics a, b, f, g.
- To create the rows of Bunting: add the vertical sashings where needed according to (Fig. 2a and 2b). Then piece them across in rows. Doing all the Bunting rows first.
- Create longer white horizontal sashing pieces by connecting ends and cutting them the length of the width of your finished finished rows. *You will need 5 sashings.*
- Repeat #5 with the black horizontal sashings. *You will need 4 sashings.*
- Once sashings are cut to length, piece all rows together as shown (Fig. 2)
- Layer the quilt back, batting, and the quilt top. Baste the layers together. Quilt as desired, removing the basting as you go. Bind to finish!
